## Easter Egg Hunt

The Annual WWN Easter Egg Hunt will be Saturday March 19th at 3:30 PM. Meet us at the corner of Providence and Harriman Pkwy. Rumor has it the Easter Bunny may make a special appearance.

Mark your calendars! Time to clear out your garages for the WWN semi-annual garage sale to be held on Friday, May 20th and Saturday 21st.

As evident from recent break-ins and other crimes the HOA will be scheduling a meeting with the Fishers Police. Further details for this very important meeting will be provided soon.

The WWN board is committed in providing timely and pertinent news and information within the community. We currently have the HOA website [www.weaverwoodsnorth.org](http://www.weaverwoodsnorth.org) for downloading various Architectural Guidelines, Architectural Request Form and a copy of the CC&R. A new Facebook page, **Weaver Woods North POA** is a community page to be used by the board for quick notifications. The other Facebook page, **Weaver Woods North**, is a public group forum where homeowners may share information and discussions.

Spring is here! Well, more or less. Time to think about planting. The WWN board will add some incentive for the best front yards. Three homes will be selected in the neighborhood to receive Lowe's Gift Cards. Details soon.

---

## Mailbox Replacements

The WWN board has implemented a new mailbox replacement program. If the mailbox is damaged or the lettering has faded contact Ardsley. Only the mailbox will be replaced.
